EXPERIENCE

DATADOG | Sydney, NSW 09/2024 – Current

Commercial & Mid-Market Sales Manager

Leading and developing a team of eight Account Executives focused on driving revenue and new logo growth (acquisition) across the commercial and mid-market segment in Australia and New Zealand.

- President's Club winner 2025
- 152% attainment FY25, ranked #5 of ~150 sales teams globally at Datadog
- Lead, mentor, build, and coach a team of high-performing Account Executives to achieve quarterly and annual sales targets
- Team responsible for acquiring 75 new customers in FY25
- Manage territory planning, pipeline generation, and forecasting using MEDDIC sales processes and tools
- Develop scalable sales strategies to increase customer acquisition and product adoption across a diverse set of accounts
- Partner closely with Sales Engineering, Customer Success, Marketing, and Product teams to ensure customer alignment and deal success
- Monitor performance metrics and implement improvements in sales efficiency and execution
- Support team members in complex deal cycles, C-level negotiations, and account expansion opportunities
- Represent Datadog's values by building a high-performance, collaborative, and inclusive sales culture

SPLUNK | North Sydney, NSW 10/2022 – 09/2024

Regional Sales Manager

Led a core sales territory and team responsible for all net new accounts across NSW Commercial & Enterprise.

- Founded new territory for Splunk in NSW, entirely net new acquisition
- Strategic Territory & Account Planning: Implemented and executed tailored programs to drive new revenue and grow the NSW commercial/enterprise business, including pipeline generation activities, go-to-market strategy, marketing events, and wider team engagement
- Team Management: Orchestrated and led participation of the wider team in day-to-day opportunity engagement, including business development representatives, account managers, technical resourcing, customer success, renewals, and business value representatives
- Mentoring & New Hire Engagement: Assisted in the hiring process of new employees to Splunk, including interview and roleplay stages; held weekly cadence with aligned BDRs to review quarterly targets and objectives, including mentoring for career development
- Customer Engagement: Built strong C-level relationships over my tenure at Splunk, with frequent cadence and presentations to stakeholders at all levels
- Forecasting: Responsible for accurate reporting to senior management on quarterly targets, including roll-up of aligned BDR and ISR functions; MEDDPICC trained, presenting key deals to leadership weekly as required

Enterprise Account Manager

- Q1 FY23: 125% MBO attainment (deals closed, dollar value attached, converted customer meetings)
- Q2 FY23: 125% MBO attainment; Q3 FY23: 105% MBO attainment
- Trusted Advisor Model: Incorporated an advisory selling methodology to uniquely position Splunk's large portfolio against the diverse and specific use cases customers faced
- Net New Business Specialist: As the dedicated account manager for new business in NSW, worked closely with the aligned RSM to uncover new opportunities and convert them to new business for Splunk
- Customer Engagement: Created meaningful relationships with senior stakeholders in NSW, including C-suite, IT managers, and partner teams

DELL TECHNOLOGIES (EMC) | Sydney, NSW12/2020 – 12/2021

Enterprise Data Centre Account Manager

Responsible for high-value accounts comprising acquisition, government, education, medium business, and enterprise. Dell EMC's large portfolio of Storage, Data Protection, and Cloud Service products requires a consultative selling approach, ensuring we provided value, met customer need, and drove revenue.

- H1 FY22: 103% quota attainment
- H2 FY22: 64% attainment at time of departure, on track to exceed target with over \$2.5M AUD forecast to close in Q4
- Generated over 20 net new opportunities YTD
- Strategic Territory & Account Planning: Developed multiple territory plans, strategic account plans, and partner business plans, executing against key defined metrics
- Delivered sales and technical presentations to potential customers via a consultative sales approach

DELL TECHNOLOGIES (EMC) | Sydney, NSW01/2020 – 12/2020

Enterprise Inside Sales Representative

- Prospected 50 leads per week and pursued appointment opportunities to convert prospects into new customers
- Consistent top performer in team, driving over 15 opportunities to the storage business each quarter
- Awarded for driving top-line revenue growth and sustaining a high level of achievement
- Outreach: Led outreach implementation across NSW and Victoria for the Education and Government sectors, leveraging digital and telephone approaches (LinkedIn, Sales Navigator, 6sense, Lusha, email) to generate sales leads
- End-to-End Sales Engagement: Followed up with customers after sale to identify and resolve service, account, or technical issues; maintained detailed account records and contact logs in Salesforce

SEKTOR | Rosehill, NSW07/2019 – 01/2020

Sales Support Specialist (NSW, VIC)

RESOLUTION SERVICES GROUP | Sydney, NSW01/2015 – 08/2019

Account Manager

- Founded sales motion at RSG: created account territory, managed outbound leads, and handled commercial processes on behalf of the founder
- Managed sales pipeline efficiently through customer relationship management software
- Negotiated contracts and terms with clients to secure profitable agreements
- Used cold calling and networking to sell products and services
